GENERAL INFORMATION

The containers are available in 120 l and 240 l sizes.

18 of the possible 38 collections are covered by the minimum charge.

The containers are collected in the Winter months every 2 weeks, in the Summer months every week.

Twice a year we offer collection of bulk green waste, whereby the bulky garden waste is collected directly at the property. Branches, thin trunks and bushes ((max. amount: 3 m³, max. length: 1.5 m, max. thickness: 10 cm diameter, max. weight: 50 kg) are accepted. The green cuttings must be tied together with a biodegradable cord.

Please refer to your collection calendar for the dates.

EXPLANATION

(R) Residual waste
